

LONG YEARS AGO

March 25, 1904

New settlers are constantly arriving, the majority of whom seem to be locating east of Didsbury and Carstairs.

Work on the erecting of the ash and door factory will start Monday. At the elections for Councilors for the townships east and west, held last Saturday, Noah Eby was elected for the east, and W.C. Adam was elected for the west.

A bill will be introduced during the present session at Ottawa prohibiting the use of cigarettes

March 25, 1925

Miniature floods were to be seen in Didsbury this week. There is so much moisture here this spring that the low ground is likely to take all summer to dry out.

The Robins are here—spring has come. Conrad Sande has a saw mill operating a mile and a half north of Bergen.

NEWS FROM THE WEST

The Elton Willing Workers held the last winter drive of the season at the home of Mrs. J. Bagshaw last Wednesday evening. Six tables were played and the winners were Mrs. A. L. Hogg and Mr. J. Luft, with consolation going to Mrs. M. Campbell Jr. and Mr. C. Byrt.

Mrs. Roy Brown of Calgary is visiting Mrs. K. Konshuh. Mrs. Brown is a war bride.

Mrs. A. Sissons of Clive spent the week end visiting Mr. and Mrs. H. Hoesegard.

There have been two showers lately held in Cremona in honor of Mrs. Chapin (nee Miss Avis Bellamy), a recent bride, who will make her home at Caroline, and for Mrs. Val Reid, recently married and making her home in Cremona.

Mrs. O. Krebs was a Calgary visitor on Thursday.

Mrs. Glen Evans is visiting her parents in Calgary for a week or so.

Mr. Frank Hesolton and Mr. Arnold Hogg attended the bull sale last week, the former purchasing a Hereford bull, and the latter an Aberdeen Angus bull.

DIDSBURY HOSPITAL BIRTHS

Born to Mr. and Mrs. David Archer on March 21st, a boy.

To Mr. and Mrs. H. Morton on Friday, March 22, a girl.

To Mr. and Mrs. E.R. Wigg of Cremona, on Sunday, March 24, a boy.

BAD ROADS HAVE HELD UP LOCAL RED CROSS DRIVE

The membership drive of the Didsbury branch of the Canadian Red Cross Society has been slowed down in the country due to the spring break-up, making roads almost impassable, but canvassers are gradually making the rounds in the hopes of contacting everyone in the town and district.

In order to facilitate the work of the committee all prospective members of the Red Cross Society are urged to contact any one of the following canvassers, and make their donation without waiting to be called on. These canvassers are:

Town—H. Lynch-Stanton and S. J. Gibson. Assistants, W.A. Austin and C.E. Reiber.

East—H. Morgan and K. Burns. West—Jack Robertson and E. Cogswell.

Citizens are reminded that while this is a membership drive, the minimum fee being \$1.00, there is no limit to the contribution that can be made. So, give generously when making your Red Cross donation. The money is urgently needed to carry on the peace time objective of the Alberta Red Cross Society. These objectives include such worthy causes as aiding in the building and furnishing of the 15-bed crippled children's hospital in Calgary; blood donor clinics; out-patient hospitals, etc.

LARGEST BUDGET IN ALBERTA HISTORY PASSED LAST WEEK

The biggest budget in Alberta's history, under which \$36,926,325 is appropriated for government purposes in the 1946-47 fiscal year starting April 1, was passed by the legislature last Wednesday.

The estimates provided for expenditures of \$26,370,539 under general revenue fund, income account, and for payments of \$6,606,486 on general revenue fund, capital account.

The estimated deficit for the 1946-47 fiscal years is \$3,658,152, but this will be taken care of entirely from accumulated surpluses, provincial treasurer E.C. Manning said when the budget was brought down March 4.

W.M.S. MEETING AT HOME OF MRS. J. THOMPSON

The W.M.S. of Knox United Church held their regular meeting at the home of Mrs. J. Thompson on Monday afternoon, March 18. Mrs. E. Ford took the devotional service. Mrs. R. Eckel gave an interesting report on W.M.S. Branch Convention.

At the close of the meeting Mrs. Thompson served lunch.

ROSEBUD HEALTH DISTRICT CONFIRMED IN ALTA. GAZETTE

The March 15 issue of The Alberta Gazette contains the following confirmation of the Rosebud Health District, with headquarters located at Didsbury:

"Under authority contained in Section 26 (1) of The Public Health Act, I, Wallace Warren Cross, Minister of Health, hereby establish the Rosebud Health District, consisting of:

The Municipal District of Mountain View No. 49; The Municipal District of Waterloo No. 56; That part of Improvement District No. 50, lying in ranges 5, 6, and 7, west of the Fifth Meridian; Town of Didsbury; Town of Olds; Village of Carstairs; Village of Crossfield.

The Board to administer affairs of the said Health District shall consist of four representatives appointed by the Municipal District of Mountain View and one from each of the other contributing units.

The Provincial Department of Public Health will pay one half of the operating cost, office rent, supplies and equipment up to a sum not exceeding \$7,000, the balance of the cost to be distributed among the contributing units in proportion to their populations, as shown by the most recent Dominion Census, and to be payable in quarterly instalments.

The fiscal year of the district will end June 30th of each year.

NOTES FROM THE EAST

Mr. and Mrs. Jas. Sheils returned from the East this week. They say they are glad to be back, although they enjoyed their holiday very much.

Bruce Sheils, Gilbert Howe, Fred Metz, Sandy Brander and Wm. Lyons were among those attending the Calgary bull sale last week.

Mr. and Mrs. Sandy Brander and Children spent several days in Calgary recently. Little Sandra has been receiving medical treatment.

Lloyd Cippely has not been well for some time and it is thought he is suffering with Rheumatic Fever. Jim and Frank Miller, and Raymond Johnson of Didsbury were Sunday guests at the home of Edie Patterson.

Mr. and Mrs. Idris Jenkins of Calgary spent a few days with Dennis and family this week. Mr. E. Jenkins is recuperating following an appendix operation, and seems quite well again. They took their daughter Patsy back with them. She has been staying with her aunt and uncle during Mrs. E. Jenkins' illness.

Mr. and Mrs. Pete Schumaker spent a few days in Calgary this week. Jim, who has been ill in the Belcher Hospital, returned with his folks for a short visit.

Mrs. H. McCullough left Sunday morning for Portland, Oregon, after receiving word that her father was critically ill. Miss Beverly Redfield and Mrs. Harold Woods have been assisting at the store in the absence of Mrs. McCullough.

TREASURY SUB-BRANCH TO OPEN IN DIDSBURY APRIL 2

Announcement has been made that a Treasury Sub-Branch will commence in Didsbury on Tuesday, April 2nd, and will continue every Tuesday and Thursday in the present Agency office of D.N. McDonald.

The manager will be in attendance every Tuesday.

Morton-Jiggins Wedding Unites Overseas Sweethearts

A romance which began in England three years ago culminated in a wedding in Calgary Wednesday afternoon, March 20. The bride, Anne Mlynec Jiggins, who arrived with her mother, Mrs. E.V. Jiggins by plane recently from England, was married at 2 o'clock in the afternoon to Squadron Leader J.A. Morton D.F.C. of Didsbury, leaving with him later in the afternoon for a honeymoon at Banff.

It was while S.L. Morton was stationed at Torquay with the RCAF that he met his bride who was holding day at the English resort on leave from the W.A.A.F. and despite interruptions due to S.L. Morton's continued flights over occupied countries as a "trainbuster," the romance flourished. S.L. Morton returned from overseas last November.

The Didsbury flier, who is the son of Mrs. Marion Morton, served overseas with the RCAF for four years. He was awarded the D.F.C. in April 1943, and was seen in action on the screen with the late F.L.M. "Bitty" Grant D.F.C. in the RCAF film "Trainbusters," which was screened across Canada.

Reception at Palliser

Rev. Allen Huband read the marriage service at a quiet ceremony in Knox United Church. Mrs. Jiggins was in a navy blue model with trimming of white braid on the short sleeves, and wore a small matching hat and corsage of carnations, while Mrs. Morton also chose a navy blue ensemble and wore pink carnations in corsage.

Following their wedding trip to the mountains S.L. and Mrs. Morton will make their home at Didsbury.—Calgary Albertan.

WESTCOTT NEWS NOTES

Mrs. E.A. Trussler has as her guest her niece, Miss Margaret English of Calgary.

Mr. J.F. Moir was a business visitor to Didsbury this last week. We understand he has purchased a chicken ranch at White Rock, British Columbia.

Mr. and Mrs. Nevada, of Didsbury have now occupied the residence made vacant by the moving of the Alex Snyder family. We wish to extend our best wishes to both these families in their new surroundings.

Mr. F.A. Porath, recently discharged from the Canadian Army, was a visitor at the home of his niece Mrs. Ruth Goetjen, last week.

The condition of Mr. J. Templeton, Vancouver, step father of Mrs. Linden Jacobson, has taken a last week. We understand he has purchased a chicken ranch at White Rock, British Columbia.

A meeting was held at the Jacobson School last Wednesday evening for the farmers of Township 30, Range 5, W. 30th, to organize for the purpose of eliminating the Warble Fly from the cattle in the district.

Mr. Jack Robertson was chairman, and it was decided that the farmers would purchase a machine to treat the cattle, and Mr. Lionel Bird of Gardiner be hired to take it around this spring. Mr. Alex Robertson was elected secretary-treasurer for the organization, and the directors are Earl Klinek, Didsbury; Wm. Moore, Gardiner; and Clarence Reid, Cremona.

Congratulations to Mr. and Mrs. Fred Goetjen on the birth of a daughter.

GOLF CLUB ANNUAL MEETING MARCH 28

The Annual Meeting of the Didsbury Golf Club will be held in the Town Office at 8 p.m. Thursday, March 28th.

All members and others interested in golf are urged to attend this meeting.

ABE SNYDER AND SONS SHORTHORN BULL FILMED BY NATIONAL FILM BOARD

A prize-winning Shorthorn entry belonging to a local breeder, Abe Snyder & Sons, was selected by the National Film Board at the Calgary Bull Sale and Spring Show held last week, and pictures were taken of this bull, which will be shown throughout the North American continent sometime this spring and summer.

"Barnone" was the name of the Shorthorn selected, and H.W. Wait of Didsbury made the selection at the request of the Film Board, and he showed the animal when the pictures were taken.

"Barnone" was selected out of a total of almost 220 Shorthorn entries, and the bull is a credit to the owners. He is dark red in color and two years of age, weighing 1763 pounds.

BERGEN AND NICHE VALLEY

Mr. and Mrs. Tom Nead visited Fred Admussen on Sunday.

Mr. and Mrs. Henry Towes, Mrs. Paul Baerg and Alan Urhuh visited at the parsonage on Sunday.

Mr. and Mrs. Ed Klassen returned Monday to Swallow.

The Lyle Brothers are moving their saw mill to saw a few logs for Peter Hendrix. That is the seventh mill within a few miles of each other.

A Dodge truck from Aeme is parked beside the road needing a new front axle.

The Barkman truck from Swallow came into the mill Sunday.

Zero weather and plenty of snow makes spring seem far in the future.

Want to get rid of it? Advertise it in the want ads.

WORLD HAPPENINGS
BRIEFLY TOLD

Automobile will be banished from the island of Sark when British troops have departed.

The yearling Eire bull in sending wedding presents out of the country has been fitted, except for autos of furniture.

Full-scale production of gold, expected to play a major part in Australia's future economy, is being revived in the Commonwealth.

There are still 50,000 live mines in the Mediterranean and more than 10,000 of them in the Aegean Sea, says Cmdr. E. Sverdrup of the British Navy.

The New Zealand government has offered 16,000 tons of food valued at £1,000,000 (\$1,500,000), as a gift to Britain, Acting Prime Minister Walter Nash announced.

The Montreal city council passed a by-law prohibiting smoking in department and other large stores in the city. The measure was taken to reduce fire hazards.

Britain has transferred five German destroyers and two torpedo boats to France, the foreign office said. The ships were part of Britain's allocation from the German fleet.

The automotive industry in Britain is aiming at exporting 50 per cent. more cars than before the war, Lord Nuffield says. His firm is now hoping to export 1,600 vehicles per week.

England now has 240 oil wells, producing about half a million barrels of crude oil a year. They were drilled during the war by an Oklahoma contractor for the British government.

Empress Nagako, following the example of the Emperor in an apparently planned program to democratize the Japanese royal family in the eyes of the people, visited a hospital and orphanage in the Tokyo area.

To All Parts Of Empire

Botanical Research In Britain Aids

Whole Commonwealth

Professor Salisbury, director of the Royal Botanic Gardens at Kew, says live specimens and seeds are sent to Kew from all parts of the Empire and are re-distributed from there. Kew's contribution to the establishment of plantation rubber and cinchona in various parts of the Commonwealth and Empire is well known, but the history of the introduction of other economic plants to new areas may not be so well known.

Geoffrey Evans, Kew's economic botanist, conceived the idea of removing the rose ends of potatoes and partially drying them to serve as sets, instead of cutting large potatoes into smaller parts. Thus much of the crop can be used as food and still provide material for planting. These sets weigh less than one fifth of those normally employed, and thus permits of carriage by air, the method having been successful in the transport of potato sets to Malta and other Mediterranean countries. An entry in the Kew records, dated August 1864, shows a consignment of potato sets to West Africa, probably the first introduction of that plant to West Africa, and eleven varieties of West Indian roses were sent to Ceylon, where they grew and fruited well. Ceylon now grows some of the world's best tea. The "Kew pine apple," the Smooth Cayenne, now widely grown throughout the tropics was imported from Kew as was the Mandarina or Queensland. Kew's Research Workers have been able to produce and export high quality and disease-resistant bananas, cassava and passion fruit.

Wartime needs stimulated the search for sources rich in vitamin and Rose hips from the hedgerows of Britain were investigated and as a result a syrup was produced with about five times the vitamin content of oranges juice.

Work is being carried out at Kew on the production of rubber from dandelions.

These few examples out of many will show the vast range of subjects and diversity of services to the Commonwealth and Empire performed at Kew.

NATURAL QUESTION

An Englishman touring Canada was staying in a wayside hotel. One night it was very cold and the Englishman, feeling it pretty bad, came downstairs early next morning to get warm. At the same time a trapper, who had been out looking at his traps, came in at the door. He was hanging from his mouth-tache and with a pining expression the Englishman looked at him and exclaimed:

OUTLOOK NOT BRIGHT

Lack of wheat is by no means the whole of Europe's hunger story. Estimates published in the Wall Street Journal place this year's wheat production on the continent at 43 per cent. of the pre-war volume, cheese at 47, eggs at 48, milk at 37, France's grain crop at less than 60 per cent.

LOOKING FORWARD TO NEW LIFE IN CANADA—Cpl. John Wolpe, the "stateless" German Jew who joined the Winnipeg Rifles as an unofficial soldier in Europe, arrives in Winnipeg aboard a hospital ship. The 27-year-old hero arrived unheralded as a full-fledged member of the Canadian army and a Canadian citizen. He still has a limp, the result of a machine-gun wound in his right thigh. Cpl. Wolpe, whose first name is Hans but which he changed to John because Hans was "too German", has adopted Winnipeg as his future home because of his association with the Rifles.

A Colorful Bazaar

Londons In Search Of Bargains To Pot-Petticoat Lane

"Keep your hands in your pockets," smilingly warned a grey-haired woman vendor at the entry to Petticoat Lane, London's "Sunday bazaar," as her sharp eyes spotted greenhorn.

At first glance, this badly-blitzed street in London's east end looks like the crowded midway of a Canadian fair on a pre-war Labor Day. The games and rides are missing but Petticoat Lane has its own side-shows.

Pushcarts, piled high with practically anything from accordions to wrist watches and presided over by salesmen who may be British 8th Army veterans still in uniform, old men and women, line the street hand to hand.

Londons, in search of bargains, push and shove their way between them, some licking ice cream cones, others munching sandwiches, and many just strolling.

Petticoat Lane is open for business Sundays only from 10 a.m. to 2 p.m. Each week it echoes with the sound of feet thudding on the brick-paved road and the hoarse pipes of the salesmen.

Uniformed policemen patrol the sidewalks behind the hawkers while plainclothes detectives mingle with the crowd, on the alert for light-fingered wayfarers.

Goods are displayed haphazardly. One cart groans under a load of used clothing, including a tattered girdle. Next to it is a cart on which perambulators are carefully arranged, tended by two solemn East Indians complete with turbans.

Stockings, which the salesman described as silk and for sixpence (12 cents) a pair, plus one clothing coupon. Adjoining a woman cleans children, while next to her the crowd thickens around an ice cream cart.

Further on a broad-shouldered, big-chested giant in a turtle-necked sweater sells a throng about the evils of weight-lifting and other forms of strenuous exercise.

Ten years ago I predicted Londoners would die. Well, he didn't," he demands.

Significant Name

The Teutonic Meaning Of Eisenhower Is "Iron Cutter"

In welcoming General Dwight D. Eisenhower, Supreme Commander of the Allied on the Western Front in the defeat of Germany, Dr. H. J. Cody, Chancellor of the University of Toronto, made a happy reference to the significance of the name of the great soldier-statesman. A paragraph from the Chancellor's eloquent speech will bear quoting: "One curious historical parallel intrigues me today. In the year 1066, William the Conqueror invaded England to claim its Crown. The forces of the Normans and the Saxons joined battle where Battle Abbey now stands. Before the Norman host rode William's minstrel to incite his men to fight by singing portions of the Chanson de Roland. The minstrel's name was Trollefer; it means a cutter of iron. Nearly nine hundred years later another man led English-speaking armies across the English Channel from England to overthrow a merciless tyranny that held us under the heel of the peoples of Western Europe. He was born in the New World thousands of miles away, and his name was Eisenhower. The meaning of that Teutonic name is Iron Cutter." He went forth to cut the bars of iron and set the people free."—Stratford, Beacon-Herald.

RATHER FUSKY

As the inquisitive man sat on a seat in the park he watched a shabby individual coming along picking up cigarette ends.

Then the tramp sat down on the seat and began sorting his spoils. Presently he threw quite a long one away. This was too much for the curious looker-on.

"Excuse me," he said. "That looked a good one. Why did you throw it away?"

The tramp drew himself up proudly and replied: "It ain't my brand."

The first money mint probably was established in Lydia toward the end of the eighth century, B.C. 2663

A LENGTHY TRIP

An adventuresome London toolmaker, 36-year-old F. J. Cooke, has planned a bicycle ride which he hopes will land him in New Zealand within a year. He will travel through the midlands of England to Scotland, cross to Belfast by ship and, after a tour of Ireland, sail for Canada towards the middle of June. He expects to cycle across Canada to Vancouver and then along the west coast of the United States to Los Angeles getting a ship to New Zealand.

Most foods eaten by man are 60 to 95 per cent. water.

HERES TO YOUR EATING PLEASURE! It's called Cherry Party Bread, but serve it whatever the weather, not just for parties. For here is a delicious bread with an unusual twist that makes it suitable for all occasions. Put it in the lunchbox for your hungry offspring who are always ready for something sweet, and serve it for Sunday dinner, it gives any meal the air of elegance!

Cherry Party Bread

- 1 tablespoon butter
- 1 cup light brown sugar
- 2 1/2 cups sifted flour
- 4 1/2 teaspoons baking powder
- 1/2 cup of sugar
- 1/2 teaspoon salt
- 1 egg
- 1 cup chopped nuts
- 1 cup chopped Matashino cherries
- 1/2 cup milk
- 2 tablespoons melted shortening
- 1 cup All-Bran
- 1 cup Matashino cherries
- 1/2 cup chopped nuts

(*) Melt butter in hot pan and sprinkle sugar, cherries and nuts evenly over bottom of pan.

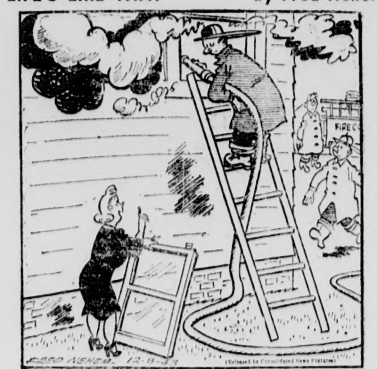

Sift flour with baking powder, sugar and salt; beat eggs; add milk and shortening; stir into flour mixture. Add All-Bran, cherries and nuts. Pour over cherry mixture and bake in a moderate oven (350 deg. F.) one hour. Remove from pan at once. Cool before slicing.

Yield: 1 loaf (10 x 8 1/2" pan)

(*) Note—Loaf may be baked omitting cherry-nut mixture in bottom of pan.

LIFE'S LIKE THAT

By Fred Neher

"As soon as you get the fire out, will you put up this storm window, please?"

REG'AR FELLERS—100 Per Cent. Prepared

SUN.	MON.	TUES.	WED.	THU.	FRI.	SAT.
Bolled Tongue	Meat Patties	Baked Beans	Stuffed Meat Loaf	Lamb Stew	Fish Dish	Steak
unrationed	Group B	unrationed	Group C	Group D	unrationed	Group C
	1 lb. 5 tokens		1 1/2 lbs. 6 tokens	2 lbs. 6 tokens		2 lbs. 1 coupon
7 tokens left over.						

The focal point of Sunday's dinner can tastefully be fresh or pickled tongue, simmered until tender and served hot with an orange-raish sauce. Whipped potatoes and green beans will complete a top of the stove meal. And you should be able to calculate on left-over tongue for a week-day lunch service. The first inroads on your week's ration will be made on Monday, with 5 tokens for one pound of minced round steak, the basis of well-reasoned, crisply broiled meat cakes. Now that the dried bean family is making a more plentiful appearance on most markets, Tuesday's main dish might well be a casserole of lima or navy beans, fresh-from-the-oven whole wheat muffins and a mixed salad should assure a meal of nutritious and appetizing goodness. Minced beef and real make a pleasing combination for a meat loaf. For variation, line the bottom and sides of a loaf pan with your favorite meat mixture, fill the centre with a good bread dressing, and cover with the meat mixture. After Wednesday's dinner, you should have on hand the solution to a luncheon problem. Thursday's lamb stew, topped with dumplings, is toothsome fare for six tokens. And by Friday the wheel of good eating revolves to fish. With almost half your ration intact makes Saturday an opportune time to satisfy the family's penchant for a juicy steak. Even as you'll have to your credit seven tokens to augment your purchases if you have a guest night, or to help out with next week's roast day.

Time Will Tell

Battleship Will Soon Be Useless In Opinion Of U.S. Admiral

Like the dinosaur, the battleship has outlived its climate and its age, according to Admiral John H. Towers, the new commander of the United States Pacific fleet. Admiral Towers says that only two American battleships ever fired a shot against Japanese ships in the Pacific war. They were useful in anti-aircraft defence and in bombing enemy islands but this could have been done just as well and less expensively by other smaller ships.

In the near future, the Admiral believes, atomic bomb tests in the Pacific will finally show that the battleship is obsolete.

If he is right, one of the great legends of the sea is passing—the mighty floating fortress which seemed to be the ultimate safeguard of all maritime nations. The battleship of the future, carrying the fire power of the atom bomb, will fly.—Winnipeg Free Press.

GEMS OF THOUGHT

NOBILITY

The true standard of quality is seated in the mind; those who think nobly are noble.—Isaac Bickelstaffe.

We must form perfect models in thought and look at them continually, for we shall never carve them out in grand and noble lives.—Mary Baker Eddy.

If a man be ended with a generous mind, this is the best kind of nobility.—Plato.

The generous who is always just, and the just who is always generous, may, unannounced, approach the throne of heaven.—Lavater.

He who gives what he would as readily throw away, gives without generosity; for the essence of generosity is in self-sacrifice.—Sir Henry Taylor.

There never did, and never will exist anything permanently noble and excellent in the character which is a stranger to the exercise of resolute self-denial.—Walter Scott.

GOOD BREEDING STOCK FOR DIDSBURY DISTRICT WILL PAY DIVIDENDS

While many stock men from the Didsbury district attended the Annual Bull Sale in Calgary last week, they did not all go to the sale merely as spectators. Many stockmen had good bulls in the sale, but they were there to buy better animals with which to build up their herds. And many local stock men bought extra good bulls, some paying big prices for the animals. However, those who had to pay large prices for extra good breeding stock should not be disappointed. Experience has proven that the farmer who has good stock usually gets good prices for his animals for breeding purposes, and also when he sells beef on the market.

The Didsbury district is known over the whole province as having exceptionally good herds of cattle, and with the addition of even better breeding stock the future is bright indeed for the livestock industry here.

IS SPRING HERE?—IT SEEMS THAT WAY

March 21st marked the first day of Spring, as seasons go, but this year we have experienced spring weather in this part of Alberta along with the calendar date. True, in the country west of Didsbury there is considerable snow but this is gradually disappearing under bright skies and longer days.

Spring brings new hopes to the people of the west. It marks the time when new crops are seeded in the hopes that the returns will justify the labor and expense involved.

Farmers of the Didsbury district have one thing they can be thankful for. They can expect fairly generous rainfall, year after year, and do not have to rely on irrigation and its cost, and worry about lack of sufficient moisture to produce some kind of a crop. But we do need earlier springs and later falls than do the drier areas of Alberta.

An early spring, therefore, is a decided advantage in the Didsbury district. Let's hope the fine weather continues until after seeding.

WHEAT POLICY

Hon. J. A. MacKinnon, minister of trade and commerce, announced that he also announced that final payments on participation certificates initial Wheat price for the 1946-47 for the year 1943-44 will be issued crop year would be \$1.25 a bushel, during the coming spring.

basis one northern at Fort William, the same as the last three years.

LOCAL NEWS ITEMS

Rev. D.C. Archer of Galahad, a former Didsbury pastor, is visiting in town this week.

Mrs. Stewart Ferguson of Nordegg spent Monday and Tuesday visiting her sister, Mrs. E. Wiggins.

Mrs. Minnie Eckel of Calgary spent the week end with her sister in law, Mrs. Ruth Eckel.

Mr. and Mrs. Merrill Himmelreich of Calgary spent the week end with the latter's mother, Mrs. L.J. Wrigglesworth, and other relatives.

Bill Payne went to Calgary Tuesday to bring back another Dodge car, the second his company has had for sale so far this spring.

Miss Gladys Ringheim who is employed at the Holy Cross Hospital in Calgary spent the week end at her home in Didsbury.

Missionary meeting at the M.B.C. church Thursday evening at 8 p.m. Rev. C.T. Paulson, returned missionary from China, and his eleven year old son, will be the speakers. Slides will accompany this service.

Those wanting 85 or 95 horsepower motors for cars or trucks should order now. Can get new or factory reconditioned at Cassidy's.

After a five and a half years overseas, Sgt. Donald C. Smith, E.M. son of Rev. and Mrs. Whyte Smith, arrived home last Friday. Mrs. Donald C. Smith came two weeks earlier and is staying at the manse.

Mr. Carlton Leeson left Tuesday for Ottawa where he will visit his brother, Squadron Leader R. B. Leeson, and family. After a few days there, he will accompany them on an extended motor trip through the Southern States, returning via California and the West Coast to Didsbury the end of April.

H.M. Ringheim reports that since the snow melted in their garden they have discovered a full-grown doe deer, which had apparently wandered in towards the buildings on the east side of the track, and died from natural causes. The animal had no doubt been there for some time as the legs of the deer were covered with mould.

There will be a Whist Drive and Box Social at the Inverness School on Friday, April 5th. Proceeds for the Junior Red Cross. Everybody welcome.

O.S.A. ACHIEVEMENT DAY

A large number of friends and relatives interested in the Didsbury students who are attending Olds School of Agriculture were present Saturday, March 23rd at the annual Achievement Day. Students who are graduating this year include

Miss Jeanette Worrall and Miss Pauline Westfall from east of town, while Miss Patsy Gibbs of the Inverness district is a first year student.

There was an extra large crowd attending this year in spite of the snowstorm Saturday, many coming from as far away as Macraeth and Swatwell. The display of woodwork and manual training made by both boys and girls was outstanding. The lovely graduation dresses made by the local girls and modelled by them in the fashion show, won applause from the audience.

Jobs Follow Organization

But Employers and Workers Must Assist

During the war organization of manpower was made possible through co-operation of employers and workers.

This co-operation is no less necessary to assist in organizing the employment market during the present critical period.

Some manpower controls still remain. These are still law. They are aimed at assisting in organizing the employment market.

Remaining controls are designed to help employers and workers—and actually require only minor assistance from the public.

YOU ARE URGED TO COMPLY WITH THE FOUR CONTROLS WHICH REMAIN:

1. Employers MUST notify the National Employment Office of any need for workers, as soon as that need is known.
2. Where employers engage workers outside the National Employment Service they MUST notify the nearest NES Office within three days, that an employee has been engaged. (Form NSS 312 is provided for this purpose.)
3. Unemployed workers seeking employment MUST register with the National Employment Office if unemployed for seven consecutive days.
4. Generally speaking, any employer or employee MUST give seven days' notice to the other party of any intention to terminate employment. (Form NSS 120 is still required.) Exceptions may be learned from the nearest NES Office.

The partners to industry—employers and employees—should help the National Employment Service to promote a high level of employment by complying with these simple rules.

Only with public support can an employment service give full assistance to the community.

Make full use of the Local Office of the National Employment Service. It is there to serve your needs, and those of the entire Community.

THE NEED IS STILL GREAT

The work of the Red Cross is never finished. Aid must still be carried to the victims of war in many stricken countries.

But the present membership campaign in Alberta is aimed at making the Red Cross strong to help ourselves—to give treatment and care and hope to our own crippled children, to aid our veterans where necessary, to bring training in first-aid and home nursing and safety to our rural communities and to the 42,225 Junior Red Cross members in our schools, and to provide relief and comfort to victims of disaster within our province.

A strong Red Cross is possible only with a strong membership. Lend your support to this great work.

JOIN THE RED CROSS

In the name of all the unfortunate we urge you—

INCREASED WHEAT ACREAGE
BADLY NEEDED

(H. G. L. Strange)

More and more evidence continues to pour in of the distressing state of the people of Europe and Asia, owing to a lack of food. Many will starve this present year, but millions of lives can be saved if more food can be produced and shipped to them. The lack of food will persist during the whole of 1946. Prairie farmers can help by sowing a greater acreage to wheat

and by setting aside less land for summerfallow this coming year, and still sow same acreage to oats, barley and flax.

This last year we had 19.4 million acres in summerfallow, whereas in 1939 at the start of this war we only had 14.7 million acres, in 1931 when our acreage in wheat was considerably higher than it was last year, we only carried 12.4 million acres in summerfallow. There does not seem to be any good reason why, in this time of desperate need of wheat in the world,

we should carry so much more summerfallow than we have ever done before. By sowing a greater acreage to wheat this spring, so by producing more wheat - man's finest foodstuff - our prairie farmers can help decisively to save millions of lives of European people, past and future customers for our prairie farm products.

PASTURE EXPERIMENT

In a pasture experiment conducted on relatively heavy North

Gower clay at Ottawa, by the Dominion Experimental Farms Service, applications of superphosphate alone have increased production as much as where complete fertilizers have been used. As a result of seven years' observations, it has been shown that on this particular soil type the use of superphosphate alone for pasture produced as large a yield and at less cost than was obtained for a complete fertilizer.

I. O. D. E. ACTIVITIES

Mons Chapter ended their fiscal year Feb. 28, 1946. During the year the following amounts were paid out by the chapter:

Educational	\$ 82.43
Child & Family Welfare	29.95
War Service camp libraries	141.15

The local Chapter has started a bank account for British War brides first baby born in Didsbury and district, of \$2.00 each.

The sum of \$141.30 was realized on Hospital Tag Day, and \$29.94 was the proceeds from the baby cupboard.

Articles in baby cupboard are provided by members. Knitted articles are made by the Chapter members, wool being provided by the Chapter. Other articles are donated by members.

Mons Chapter ended their year by having a social evening in the Lions hall when the members invited their husbands and friends. The evening was spent playing Bingo and dancing.

Mrs. Jessie Alfike who is leaving the district was presented with a gift.

L. Grange, press correspondent

NATIONAL BARLEY CONTEST
ENTRIES CLOSE JUNE 15

Distribution of 50,000 entry forms started last week for farmers who wish to enter the \$25,000 National Barley Contest. The biggest share of the award money, \$18,500 is allocated to the Western provinces.

Farmers wishing to enter may get entry forms from the operator of their nearest elevator, or by contacting their local agricultural representative, or by writing direct to the department of agriculture in the province in which they reside.

Within ten days or two weeks the Contest Committee will have ready for distribution booklets of regulations governing the contest. Entries close June 15th.

FREE MESSAGES TO GERMANY
THROUGH THE RED CROSS

The Canadian Red Cross has announced its co-operation with the CBC International Service in the inauguration of a new service that will commence immediately for the transmission short-wave of free personal radio messages to Germany.

The service is particularly for the benefit of Canadian people who are anxious to locate relatives and friends in Germany who were born in or were citizens of that country and will be on the same basis as the service inaugurated last May and still in operation to Czechoslovakia and Holland which has resulted in many missing relatives being located.

There will be no charge for these messages which are limited to fifty words, not including the address of the sender and the person to whom the message is directed. They must be purely personal nature, with no reference to public affairs, business or money and must be addressed to a person, not a company or organization. They may be written in German, but a translation in English is required on the reverse side of the form supplied by the Red Cross to facilitate their handling.

It is important that the last known address of the residence of the person in Germany should be given even though the sender in Canada may not be sure of the present whereabouts of the relative at this time.

Those desiring to send such messages should contact their local Red Cross Branch where forms will be supplied.

It is stressed that this service is of a temporary nature and will be operated only until normal mail service is re-established.

IMPROVEMENT OF
GREY WOODED SOILS

Legumes and fertilizers are the solution to unprofitable yields on the wooded soils of this Province, according to H. J. Mather, Supervisor of Soil Conservation, under Alberta Department of Agriculture. Grey bush soils are not suited to the growing of wheat since quality of the flour produced is poor. Mather favors favorably with that from grain grown in the drier parts of the province. With good farm averaged between eighty and one hundred and fifty, and discussion on selection of breeding stock, feeding and grading was keen. The carcasses which are being shipped back to these districts for demonstration have proved invaluable, and the enthusiastic response at the meetings is sufficient evidence of the farmers' appreciation.

ROBERTSON DROS. AND H.E.
KLINCK PAYS \$2,100 FOR BULL

At the Calgary bull sale last week a number of animals were purchased by local farmers, and many were sold, but the top price paid by local farmers was that of \$2,100 paid by Robertson Bros. and H. E. Klinck, of Britisher MRC 31st, an animal sold by McIntyre Ranching Company of Lethbridge.

The lists of sales and buyers will appear in our next issue.

AWARD CONTRACTS FOR
117 MILES ROAD WORK

Road contracts for main highway construction involving an outlay of more than \$700,000 were awarded last week by the public works department of Alberta.

The contracts cover a total of 117 miles, of which 78 miles will be hard surfacing, according to information received by the Alberta Motor Association.

One contract is for hard surfacing 44 miles of the Trans-Canada highway between Cochrane, west of Calgary, and the east gate of Banff national park. Another is for the 34 miles from Calgary to High River.

Both projects are to be completed by July 1, well before the holiday motor tourist season reaches its peak.

The provincial authorities also have awarded contracts for grading between Standoff and Macleod and for completion of work on the Jasper highway east of Edmonton, in the Minburn and Vermilion areas.

This year's program also will include construction of a new highway bridge at Red Deer. The capital estimates for this year include \$200,000 for new highway bridges.

GOOD PROSPECTS
FOR DAIRYING

Dairying is big business in Alberta. D. H. McCallum, dairy commissioner, says the factory value of dairy products produced in this province in 1945 was in excess of \$34 million. That sum does not include the subsidy of \$5,095,000 paid to dairy producers.

Mr. McCallum thinks that the future for milk and dairy products is possibly greater than for any other farm product. The market is particularly good at the present time, and indications are that it will remain so for the next three years at least.

RECOMMENDED VARIETIES

The list of field crop varieties recommended for 1946 by the Alberta Varietal Zonation Committee, is off the press. The list contains a description of recommended varieties of wheat, oats, barley and flax, and indicates the zone for which each is suitable. The small map of the soil zones of Alberta contained in the same publication provides the reader with a ready reference.

A copy of "The Field Crop Varieties for Alberta, 1946" may be obtained on request, from the Field Crops Branch of the Alberta Department of Agriculture.

FIGHT WARBLE FLIES

Hugh McPhail, district agriculturalist for the Olds area, says warble flies cost the farmers of Canada an estimated \$14 million annually. Farmers can rid their herds of this nuisance for 3c. per animal by applying Dorris wash with a scrub brush to the warble scabs on the cattle. Three applications are necessary over a period of six to eight weeks, and are recommended from February to April.

The Essential Link

IT'S THE LOCAL TOUCH THAT REALLY COUNTS

The magnetic power of local news to win and hold people's attention is as fundamental as human nature itself. Local news begins to play its part in a man's life with a one-line notice announcing his birth. Progress in school, participation in sports, graduation, engagement, marriage follow... each likely to figure somehow in local news.

Then comes the upward climb in business, perhaps an entry into politics, almost surely some activity in civic, religious and social affairs... each step productive of news that's of vital interest to self, to family, to friends and fellow townspeople. So it goes till death itself writes the final story.

Only in the Hometown Weekly Newspapers can people satisfy their craving for this kind of news, their unceasing curiosity about what goes on close to home. And only there can they find every week the local buying information they need. Which explains very largely why people read The Didsbury Pioneer so eagerly and thoroughly, and why such weekly newspaper advertising produces such satisfactory returns.

Local Business Men cannot afford to neglect these buyers who live in Didsbury and district, and are so well served by

THE DIDSBURY PIONEER

**FOR
TROUBLE FREE
PERFORMANCE**

**DRAIN OUT
DIRTY OIL
AND FILL UP
WITH CLEAN
LONG LASTING
MARVELUBE**

now!

Dirty, thinned-out oil means incomplete lubrication of bearing surfaces, excessive wear and costly repairs - sooner or later. Dirty oil causes deposits of sludge, carbon and varnish in the engines of your truck and tractor, with resulting loss of power. Dirty oil not only "gums up" your engine, but its impurities give it corrosive properties - it may start to eat into metal surfaces. Then you're headed for trouble.

Tough, heat-resistant Marvelube gives real protection. It keeps your engine free from damaging deposits. For a lively, smooth running engine, fill up with Marvelube now. Marvelube is the quality lubricant that gives trouble free performance.

ket—the Sit-Down Shopper.

A very pretty wedding was
solemnized at the New Bergthal
church, east of Didsbury, at two
o'clock, Sunday afternoon, March
24, when Gertrude Annie, young-
est daughter of Mr. and Mrs. P. J.
Hamm became the bride of Mr.
Frank John Martins, youngest son
of Mr. and Mrs. J. P. Martins of
Coaldale, Alberta.
The bride looked lovely in a floor
length gown of white sheer, with
braided trimmed yoke and bodice.
Her long flowing veil was held with
a coronet of orange blossoms and
her only ornament was a string of
pearls. She carried a bouquet of
deep pink sweetheart roses.

Mrs. Edgar Brown of Calgary, at-
tended the bride. Her dress was of
pale green silk crepe and she car-
ried a bouquet of pink carnations.
Mr. Henry Martins, of Coaldale was
his brother's best man.

Miss Kate Coop of the New
Bergthal Bible School played the
wedding music.

The marriage ceremony was per-
formed by Rev. C. G. Neufeld, with
the wedding sermon being preach-
ed by Rev. John Sawatsky, who is
the pastor where the young couple
have been attending church in Cal-
gary, where they have both lived
for a number of years.

The ushers were Messrs. Jake
and Abe Neufeld of Didsbury.

Mrs. Hamm, mother of the bride,
chose for the occasion a navy and
white figured sheer dressmaker
suit, wore a corsage of red roses.
Mrs. Martins, mother of the groom,
wore a powder blue silk suit and a
corsage of pink roses.

During the signing of the reg-
ister the guests joined in singing
"Best Be The Tie That Binds."
After the young couple had received
congratulations from their many
friends, a reception was held in the
basement of the church, tables be-
ing set for the one hundred and
fifty guests.

After a short honeymoon in Cal-
gary, the bride and groom will
make their home in Yarrow, B.C.,
where the groom is employed in a
store.

You can Talk to one man. Want
ads talk to thousands.

MOUNTAIN VIEW NOTES

The Mountain View W.I. met at
the home of Mrs. Joe Fulkert for
the March meeting with ten mem-
bers and four visitors present. Mrs.
Stiles gave a report on the district
convention at Red Deer.

Mrs. Stiles invited the members
to her home for the April meeting.
Mrs. Blain was to have this meet-
ing but she will not be moved into
her new home by this time.

The W.I. is sponsoring a free
show in April and the quilt draw
will take place this night.

Mrs. St. Clair gave her paper
dealing with "Television." Mrs.
Blain had a short paper dealing on
"Welcoming Our Girls Back."

With the singing of God Save the
King and a motion of thanks to the
hostesses, the meeting adjourned.

Mr. and Mrs. Ed Liesemer spent
the week end in Calgary.

Mrs. Ed McNeil is spending a few
days with her brother, Charles
Kohut.

Mr. and Mrs. Ellis Barnes were
guests at the C.P. Riemer home on
Sunday.

Mrs. Noble of Three Hills spent
a week visiting with her daughter,
Mrs. John Bruce.

It sure must be spring when we
see the big boys out drowning out
gophers.

Those attending the Achieve-
ment Day at the O.S.A. from this
district were Mrs. L. McCalla, Hazel
McCalla, Mrs. B. Elliott, Mr. and
Mrs. Joe Hunter and Lawrence,
Mrs. Sam Elliott, Mr. and Mrs. Wer-
rell, Mrs. G. Tighe, Mrs. Blain, Mr.
and Mrs. Mac Archer, and Mr. and
Mrs. Stiles and family. The child-
ren of the school are to be con-
gratulated on the splendid work
done.

Mr. and Mrs. Lloyd Hayne spent
a few days in Banff where Mr.
Hayne was taking treatments.

Mr. Al Cook, now of Calgary,
spent the week end in Didsbury.
John Kohut returned Monday
from the hospital where he under-
went an appendectomy operation.

WESTCOTT NEWS NOTES

A good many folks of this dis-
trict were Calgary visitors last week
taking in the Annual Bull Sale.

Mr. Linden Jacobsen left Friday
last to be with his wife and mother-
in-law, Mrs. J. Templeton in Van-
couver, B.C., as we understand the
latter's husband suffered another
severe stroke and is in a very se-
rious condition.

Mrs. Clarence Reinhardt return-
ed home the first of the week from
their trip to British Columbia.

Mr. and Mrs. Herbert Goelzen
were Calgary visitors on Tuesday
of last week taking their daughter
DeLoce down for a check-up with
a sight specialist. Mrs. Maude
Hughes of Didsbury accompanied
the Goelzen's to the city.

Mr. and Mrs. Bill Weidnes and
son, Garry were also Calgary vis-
itors the first of last week.

Mr. Ted Duford, Calgary,
spent last week end at his home
here.

Side roads are simply impassable
around Westcott and especially
those that were not snow-plowed
are not roads, but lakes. Cows
have been needed for a long time
and now it's got to the point where
they must be put in this summer
or about 100 or 200 farmers on
one of the side roads will have to
step marooned as no vehicle will
be able to pass over them either
in dry or wet weather.

The Tappin Bros. have taken up
residence on the old Dainty farm.
We welcome them to our commu-
nity.

RENEWAL OF UNEMPLOYMENT
INSURANCE BOOKS

➔ To All Employers:

All Unemployment Insurance Books for the year
ending March 31st, 1946, must be exchanged for
new books.

New Insurance Books for the fiscal year 1946-47
will be exchanged by the Local National Unem-
ployment Office in your area for expired Insurance Books.

Protect the benefit rights of your employees by
sending in their expired books properly com-
pleted on March 31st.

There are severe penalties for
failing to make Unemployment
Insurance contributions for your
insured employees and for failure
to renew the Insurance Books
as required.

UNEMPLOYMENT INSURANCE
COMMISSION

WESTERDALE NOTES

In spite of the muddy roads and
the long distance around to get
there, a good crowd attended the
Whist Party held at the home of
Mr. and Mrs. J. Schradler Tuesday
last.

Ten tables of whist were played
with honors going to Mrs. B. Rad-
ford and Mr. J. Armstrong. Con-
solation honors to Mrs. J. Morgan Sr.
and Mr. H. Moore.

Another whist party will be held
April 2nd at the home of Mr. and
Mrs. B. Radford with Miss Ivy
Jackson as joint hostess.

Mr. and Mrs. W. Herbert accom-
panied by Mr. and Mrs. R. Jack-
son, attended the Calgary bull sale
last week.

Mr. and Mrs. John Cowie are
busy moving their buildings from
the south west corner of the quar-
ter to the south east corner, where
it will be more convenient, being
near the gravelled road.

So Ho Joe has sold the Club
Lunch in Didsbury to Mr. George
Smith of Rumsy, and the change
is to be made April 1st.

MELVIN NEWS NOTES

The annual meeting of the Mel-
vin Community Club will be held
at the home of the president, Mrs.
A.E. Krebs, on Monday evening,
April 1st. All members are urged
to attend.

On March 22 there was a meet-
ing of the baseball boys at the E.
Dupont home. It was decided not
to enter the bush league this year.

We are pleased to have Bob
Younis home again. Bob received
his discharge in Winnipeg before
returning home.

Miss Jean Durrant spent the past
week end at the home of Mr. and
Mrs. Wilbert Jahnke of Zella.

Speed your chicks to healthy maturity
with Swift's Gro-Mor Chick Starter

You get more for your money with any Swift's feed.
Why? Because Swift's have both the research facilities
and a special reason for making feeds that give results.
The reason? Swift's depend on the produce you grow!
Yes, it's common sense to buy Swift's balanced feeds!
